

LIST OF TRAININGS PROPOSED IN FRANCE

Category	Industry, Product & System	Description	Code	Location	Duration
Drives	Drives	Fundamentals: DC Motor Variable Speed Drive WNTC-F [for direct current motors]*	105	Villebon (F)	5 days
Drives	Drives	Fundamentals: GE Power Conversion Variable Speed Drives [Elementary basic knowledge]*	106	Villebon (F)	1 day
Drives	LV Drives	Digital Variable Speed Drive LV7000 [Vector Control of Asynchronous Motors]	250	Villebon (F)	5 days
Drives	LV Drives	MV3000 Variable Speed Drive [Vector control of induction motor]	295	Villebon (F)	5 days
Drives	LV Drives	MV3000 Variable Speed Drive [Command & maintenance (on site)]	296	Villebon (F)	3 days
Drives	MV Drives	MV7000 Drive for MV ASY Motor [with PECe control system]	297	Villebon (F)	5 days
Drives	MV Drives	SD7000 Drive for MV Sync. Motor [General principles of command control]	298	Villebon (F)	5 days
Drives	MV Drives	MV7000 Drive Control [operation and maintenance]	299	Villebon (F)	2 days
Drives	MV Drives	SD7000 Drive for MV Synchronous Motor [General principles of command control]	300	Villebon (F)	2 days
Drives	MV Drives	MV7000 Drive for MV ASY Motor [with PECe control system]	301	Villebon (F)	10 days
Drives	MV Drives	SD7000 Drive for MV Sync. Motor [General principles of command control]	303	Villebon (F)	10 days
Motors & Generators	Motors & Generators	Fundamentals of Electrical Motors	710	Nancy (F)	0.5 day
Motors & Generators	Motors & Generators	Alignment	711	Nancy (F)	1 day
Motors & Generators	Motors & Generators	Installation & Commissioning	712	Nancy (F)	1.5 day
Motors & Generators	Motors & Generators	Synchronous Motors	720	Nancy (F)	1 day
Motors & Generators	Motors & Generators	Exciters and Excitation Panels	721	Nancy (F)	1 day
Motors & Generators	Motors & Generators	EX Environment and Pressurization System	730	Nancy (F)	0.5 day

LIST OF TRAININGS PROPOSED IN FRANCE

Category	Industry, Product & System	Description	Code	Location	Duration
Motors & Generators	Motors & Generators	Life Cycle Management	740	Nancy (F)	1 day
Motors & Generators	Motors & Generators	Troubleshooting	741	Nancy (F)	1 day
Motors & Generators	Motors & Generators	Vibrations	742	Nancy (F)	1 day
Systems	Control & Automation	Drive Control Command PECe DC [for direct current motors]*	570	Villebon (F)	5 days
Systems	Control & Automation	Automation Products 80/HPCi Level 1 [P80i Software programming and use]*	572	Villebon (F)	5 days
Systems	Control & Automation	Automation products 80 HPCi-Rxi [P80i Software programming and use]*	573	Villebon (F)	5 days
Systems	Control & Automation	Automation Products 80/HPCi RBC [P80i Software programming and use]*	574	Villebon (F)	1 day
Systems	Control & Automation	WAGO Network on Automation [Software programming and use]*	575	Villebon (F)	1 day
Systems	Control & Automation	ETHERCAT Network on Automation [Software programming and use]*	576	Villebon (F)	1 day
Systems	Control & Automation	HPCi & Supervision Communication [programming and software]*	577	Villebon (F)	5 days
Systems	Marine	SD7000 LCI Drive/PEC(E) Control/Synchronous Inboard Motor	M011	Belfort (F)	3 days
Systems	Marine	SD7000 LCI Drive/PEC(E) Control/Synchronous POD Motor	M012	Belfort (F)	3 days
Systems	Marine	MV7000 PWM Drive/PEC(E) Control/Asynchronous Inboard Motor	M013	Belfort (F)	3 days
Systems	Marine	MV7000 PWM Drive/PEC(E) Control/Asynchronous POD Motor	M014	Belfort (F)	4 days
Systems	Marine	SD7000 LCI Drive/SYCONUM technology/Synchronous Inboard Motor	M015	Belfort (F)	3 days
Systems	Marine	SD7000 LCI Drive/SYCONUM technology/Synchronous POD Motor	M016	Belfort (F)	4 days
Systems	Marine	ONYX PWM drive/OPSYS Technology/Synchronous POD Motor	M017	Belfort (F)	4 days

* For more information, please contact us at learning.center@ge.com

LIST OF TRAININGS PROPOSED IN FRANCE

Category	Industry, Product & System	Description	Code	Location	Duration
Systems	Marine	SD7000 LCI Drive/PEC(E) Control/Synchronous POD & Inboard Motor	M021	Belfort (F)	3 days
Systems	Marine	MV7000 PWM Drive/PEC(E) Control/Asynchronous POD & Inboard Motor	M022	Belfort (F)	3 days
Systems	Marine	SD7000 LCI Drive/Syconum technology/Synchronous POD & Inboard Motor	M023	Belfort (F)	3 days
Systems	Marine	SD7000 LCI Drive/OPSYS technology/Synchronous POD Motor	M024	Belfort (F)	3 days
Systems	Marine	Advanced Training courses on real time simulator (RTLAB)*	M031	Belfort (F)	on req.
Systems	Marine	Complete training courses on electrical propulsion train*	M032	Belfort (F)	on req.
Systems	Marine	Marine Electrical Propulsion Product*	M033	Belfort (F)	on req.
Systems	Marine	Marine Mobile Training Center (MTC)*	M034	Belfort (F)	on req.
Systems	Marine	Training Simulator Platform*	M035	Belfort (F)	on req.
Systems	Marine	3D training simulator and augmented reality*	M036	Belfort (F)	on req.
